

ONE CHURCH
ONE MESSAGE
ONE MISSION
ONE FUTURE

The heart of One Church • One Future is simple: “Help people discover and live a God-centered life.” That has always been the vision of CPC. And now, God is inviting us to expand that vision.

Why Expand Now?

After several years of prayer and preparation God has aligned several key factors that make this the right time for expansion:

We are spiritually aligned and united.

Church leadership believes this movement is fully surrendered to the Lord – driven by obedience and trust.

Our church is healthier than ever, financially and missionally.

God has led CPC to a place of health and readiness. We are debt-free, experiencing steady growth, and financially strong.

Our community is growing dramatically.

Younger families are rapidly moving to North Richland Hills and looking for exactly what CPC offers: community, biblical values, and meaningful connection.

Our current building is limiting growth.

At our increased capacity the worship and community spaces limit healthy community flow – the lobby becomes a hallway, kids’ areas are maxed out, and families linger less.

Our Why: More room means more people reached, more lives changed, and more families rooted in Jesus.

This initiative is driven by MISSION. “It’s about reaching more. Not getting more.” – Jay Bruner (Founding Pastor) The new Worship and Community Spaces are tools that allow us to reach our rapidly growing community.

One Church • One Future is an invitation to join God in building the future of CPC.

New Worship & Community Spaces Will Impact Our Kids, Students & Families

The expansion isn’t just functional – it’s transformational, directly addressing the most important ministry needs of our church family.

Kids & Families

- The new worship space allows the existing auditorium to become a larger, dedicated space for next-generation ministry.
- Parents of young children will have a secure indoor play space – usable on Sundays and throughout the week – giving young families a space to gather and connect.

Students

- The existing worship space becomes a dedicated student environment designed for connection and discipleship.

Adults & Community Life

- A spacious lobby and café create space for meaningful connection, real conversation, and authentic community

Worship Center (New Theater)

- A 600-seat worship space allows CPC to preserve a close, engaging worship experience increasing our capacity for continued growth

Next-Generation Dreaming

CPC is built on God-sized dreams – shaping culture, mission, and legacy.

What if...

- 💧 *We baptized 500 people by 2030?*
- 🔗 *Our church became a launching point for pastors, leaders, missionaries, and church planters?*
- ✝ *Every CPC family saw their children raised to know, love, and live the Word of God – building a multi-generational legacy?*
- 🌐 *We planted churches across the Metroplex, Texas, and even internationally?*
- 🏠 *We became known as the city's place for hope, healing, marriage restoration, discipleship, and biblical equipping?*

We aren't just dreaming of the future – we're building for it.

A Clear Roadmap – We Get There Together.

The path forward is shared, simple, and spiritually intentional.

Step 1 – Pray

Every family at CPC is invited to pray first – asking God how He wants them to participate. Prayer aligns our hearts before any financial decision is made.

Step 2 – Prioritize

Listen. Evaluate. Ask God what sacrificial generosity looks like for your family in this season.

Step 3 – Partner

As a united church body, we will make 3-year commitments that allow CPC to build responsibly, reduce debt, and move forward with faith-filled purpose.

Step 4 – Build in Phases

With wisdom and faithful stewardship, CPC will move forward in clear and intentional phases.

1. *New worship center*
2. *New community gathering spaces*
3. *Repurpose existing theater for next-gen ministry*
4. *Campus-wide enhancements for future growth*

Step 5 – Grow & Multiply

As our campus expands, so does ministry:

- *More capacity for guests and growth*
- *More discipleship pathways*
- *More church-planting and mission opportunities*
- *More next-generation impact*

Together we move forward faithfully and wisely – building in a way that honors God and serves our CPC family for today and many generations to come.
